**PAYMENT AND BILLING POLICY**

We appreciate that you have entrusted us with your healthcare. Because healthcare benefits and coverage options have become increasingly complex, it is your responsibility to know your insurance benefits (i.e. copays, coinsurance, deductibles, preferred providers/hospitals, referrals, preauthorizations, recertifications, limits on outpatient charges, non-covered services, etc.). Your health plan determines your coverage, requirements, and limits to your coverage. We will do our best to assist you with understanding your proposed treatment and in answering any insurance questions you may have.

You, as the patient or responsible party, are responsible for all fees, copays, coinsurance, and/or deductibles regardless of insurance coverage. As a courtesy, we will file your claims to your insurance carrier. In the event your insurance company has not paid the charges within 60 days, you and/or the responsible party will be responsible for the balance due. **You will only receive a statement from us after your insurance carrier has responded to your claim. Payment is due upon receipt of statement.** **NOTE: Statements do not generate for account balances under \$10.** It is also your responsibility to obtain referrals from your primary care provider when necessary. If the referral is not obtained before the visit, the patient and/or responsible party will be liable for payment in full at the time of the visit. If we are unable to obtain payment within a reasonable amount of time, we will place your account with a collection agency and you may be liable for additional expenses.

Self-pay patients will be asked for a portion of their balance at the time of service. Payment arrangements can be made, if necessary, on the remaining balance. We accept cash, personal checks, MasterCard, Visa, Discover, Flex plan cards, Apple and Google Pay.

I have fully read and understand the above statement of payment policy. I hereby assign to Associated Physicians, LLP any benefits paid on my behalf. I authorize Associated Physicians, LLP to release my health information to obtain reimbursement for the provision of health care services. I understand that Associated Physicians, LLP does not accept partial payments made by insurance carriers as full payment for the services rendered, and I will be responsible for any charges not covered by insurance.

I authorize the providers to administer such treatment as they deem advisable for my diagnosis and treatment. I certify that I have been made aware of the role and services offered by the provider and I consent to care by such provider. I understand these services are voluntary and that I have the right to refuse these services.

**IF PATIENT IS A MINOR, PLEASE UNDERSTAND THE FOLLOWING:**

Please check box if applicable, that either custodial parent/ guardian may sign this authorization going forward without changing the guarantor account unless requested and it is authorized that our office may discuss any billing related topics with either custodial parent/guardian, unless otherwise revoked.

I understand that this authorization is valid until I choose to revoke it.
